Subject: Bologna budget for embassy support

Hi [Ex. 6 - Personal Privacy]

Can you please send the budget we'd need from EPA to support [Ex. 6 - Personal Privacy] and me in Bologna? Please check with Fede first, since she's already contacted the Ministry to see what they'd be paying (shuttles to/from venue to hotel, etc.)

I've added [Ex. 6 - Personal Privacy], who can send the Public Affairs budget.

We have lean travel budgets and weren't given any extra allocation for supporting G7.

Thanks! [Ex. 6 - Personal Privacy]
